Resource Person's Profiles

Mr. Robin Roy

He is the founder of ReMaestro Academy Pvt. limited. He is holding the position of Lecturer at Jindal Global Business School, OP Jindal Global University, in the area of marketing. Presently, he is a PhD candidate at the Indian Institute of Management Jammu in the area of Marketing. His research interest lies in the areas of online reviews and online retailing. Specifically, he works on issues related to online consumer review, consumer confusion, mindfulness, information quality, and indecisiveness in online retailing. He has made significant contributions to the field through his publications in highly regarded international and national journals. He serves as an active reviewer for numerous esteemed marketing journals. Prior to PhD program, he worked with the Indian Institute of Management Kozhikode as an academic associate. He holds an MPhil and post-graduate degree in commerce from Mahatma Gandhi University Kerala.

Mr. Sobhith Mathew Jose

He is the co-founder of ReMaestro Academy Pvt. Limited. He is an assistant professor in the school of management, Bennett University, Greater Noida, Uttar Pradesh, India. Presently, he is a PhD candidate at the Indian Institute of Technology Roorkee in the area of finance and accounting. He has over 6 years of academic experience. He has taught undergraduate and postgraduate students at Jindal Business School, O.P. Jindal Global University, B.C.M. College, and the Kottayam Chapter of ICAI, as well as other private institutes in Kerala. Prior to joining Bennett University, he also worked as a trainer for the Additional Skill Acquisition Programme (ASAP), a Government of Kerala initiative. His teaching portfolio includes courses in Financial Accounting, Management Accounting, Financial Management, Taxation Laws & Practice, Auditing and Assurance, Financial Statement Analysis, Investment Finance & Property Valuation, Personal Tax Planning, Direct Tax, and GST Law & Practices. His research has been published in reputable journals like the International Journal of Islamic and Middle Eastern Finance and Management, the Journal of Islamic Marketing, and the Journal of the International Council for Small Business. His research interests include Municipal Finance, Public Sector Accounting, Sustainable Finance, Islamic Finance, Green Banking, and Innovation.

Dr. R Sai Shiva Jayanth

He is an assistant professor at IIM Vishakhapatnam in the area of public policy. Prior to joining IIM Visakhapatnam, he worked as an assistant Professor at the Jindal School of Banking and Finance, OP Jindal Global University. He is a qualified Chartered Accountant (CA) and Company Secretary (CS). He holds a PhD degree from IIM Kozhikode. His doctoral thesis topic is "Technology Adoption in Indian Agriculture – Adoption, usage, and Impact of Smartphones among farmers in India". He has published several articles in top-tier peer-reviewed journals, and he has also published a globally popular teaching case available with Ivey Publishing. His research primarily lies at the confluence of development/agriculture economics, public policy and agribusiness disciplines. More specifically, he works in technology adoption, sustainability, and agriculture policy. He is also serving as an international consultant for international potato Centre (CIP) and Consultative group on international agricultural research (CGIAR).

Dr. Rizwan Manzoor

He is an assistant professor at IMT Ghaziabad in the area of operations and supply chain. He has completed PhD from IIM Jammu in the area of operations and supply chain. During his Ph.D., he published his research work in two top-tier CABS-UK 3*/ABDC A journals (ANOR and IEEE TEMS). His thesis work was inclined towards understanding and exploring the role of disruptive technology such as blockchain technology in augmenting resilience of supply chains. Prior to his Ph.D., he finished his MBA programme as the top of the class (Gold Medallist). He also happens to have triple NET qualifications to his name. Currently, he is currently serving as the reviewer in leading O&SCM journals. Furthermore, his work has been accepted and presented at various international academic consortiums, conferences, and seminars. His research interests are supply chain resilience, disruption risk management and application of Industry 4.0 Technologies such as Blockchain, Artificial Intelligence in augmenting resilience.

Dr. Clement Cabral

Dr. Clement Cabral is an Assistant Professor in St. Paul's College, Kalamassery, Kochi. He has pursued Ph.D. from the Department of Management Studies, Indian Institute of Technology Roorkee, India. He has previously worked in Indian Institute of Management Ranchi, India and Rabat Business School, International University of Rabat, Morocco. His research works are related to topics such as Green Human Resource Management, Corporate Social Responsibility, and Sustainable Tourism. He has published research articles in journals such as International Journal of Hospitality Management (ABDC: A*, ABS 3), International Journal of Contemporary Hospitality Management (ABDC: A, ABS 3), International Journal of Tourism Research (ABDC: A, ABS 2), Journal of Cleaner Production (ABDC: A, ABS 2), and Benchmarking: An International Journal (ABDC: B, ABS 1). He is an editorial board member of Tourism Management Perspectives (ABDC: A, ABS 2). He is the reviewer of Scopus and Web of Science indexed journals.

Jasimudeen S

Jasimudeen S. Member, Board of Studies for Library and Information Science at Mahatma Gandhi University, Kottayam. He is an active member of the Working Group of Open Access India and contributes to the research teams of HOPE Study India and the India Knowledge Collective. He is the Executive Editor and Web Admin of Health Infonet E-Learning Portal, an academic initiative aimed at promoting health literacy among various institutions.

Dr. Vimal Kumar V

Dr. Vimal Kumar V is a library professional works at Mahatma Gandhi University, Kottayam, Kerala, where he earned his PhD in Library and Information Science. His academic journey includes an MLISc from the University of Kerala and a degree in Communicative English from Mahatma Gandhi University. Prior to join to Mahatma Gandhi university, he was associated with the Asian School of Business, Trivandrum for five years (2005-2010). Dr. Kumar is actively involved in scholarly discussions on database and reference management, reflecting his deep commitment to advancing these fields.

Ms. Nisha Jangid

Session Co-ordinator

She is a PhD scholar at IIM Jammu in the area of Economics & Business Environment, specializing in urban transport. She holds an M.Phil from Banasthali Vidyapith, Rajasthan. Currently, she is working on transport accessibility using GIS.

About ReMaestro Academy
